ARE YOU INTERESTED IN A
CAREER IN DENTAL NURSING?

OPEN EVENING

**Gain a nationally recognised qualification
whilst working at a leading London
teaching hospital.**

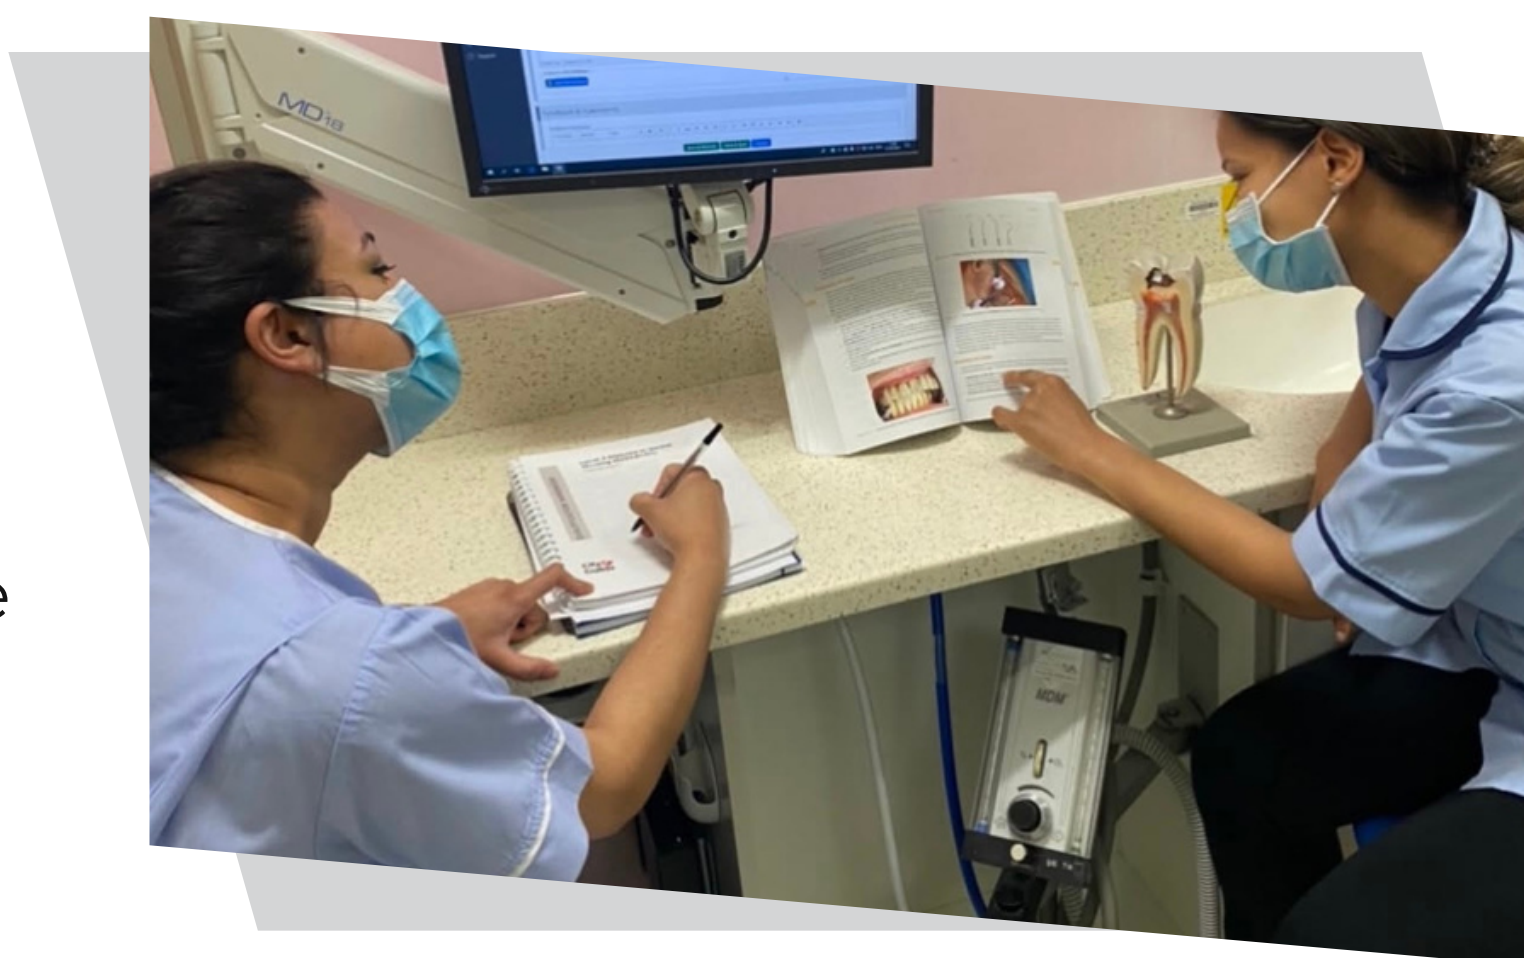

The Dental Team Education Centre are offering an exciting opportunity to give you an insight into the Trainee Dental Nurse qualification held at King's College Hospital.

You will be able to speak to some of our current trainees, have a tour of the dental hospital and find out all about the City & Guilds Level 3 Dental Nursing Practitioner (Diploma) (5238 - 30).

Learners on our 18 month full time course are employed at King's College Hospital NHS Trust, earning a salary starting from £28,000 and have all the benefits of being a King's employee, including NHS pension scheme, Bluelight card, 27 days holiday, plus many others.

Learners are working towards the City & Guilds Level 3 Dental Nursing Practitioner (Diploma), which following completion allows them to register with the General Dental Council and work as a qualified dental nurse.
